Cone in her children perity

Over the boson tenderly
The portion has been are at exact:
The lashes he an her cheek to then
Where the suffect blush of the raye hath been—
Shuffing the blue of her are within
The pure list close f to you Over the sweet book lovingly

Twineth her cively barrs.

She was so fragile that Love tent down.

From his heatenly genus that soil, length cra.

To sincle her brow with its waves so brown,

Light as the dirapling air. Robin-hashed in your downy bed

Over the swinging bottgh—
Do you make her voice from your glad door,
When the down in the heart of the river least,
Till its relyet lips with the resource wet
In orient crimson glow r Rosebud-under your shady leaf Do you miss the glance of the eve so height, Whose blue was nearest to you must significant this beaming new on a world of light over the starry way.

Hearts-where the durling's head bath lain. Held by Love's shiming ray

Do you know that the touch of her gentle hands
both brightee file hards in the unknown hand;

Oh, she waits for its wife the angel band.

Over the starry way.

HOW COULD 12

He carried my satelled to school, And my through the drift carried too; Could I think why he happed me - or bo-iff I couldn't, how could I I could you

At eve he tied under my chin Me hat with bright rillions blue : Whi he gened in my face could i tell? If i couldn't, how could i'r could you

He tabline my eyes were so bright -The brightest of any he knew: I hinshed and booked down; could I help it? If I couldn't, how could I could year?

He left on my check a warm kiss.
Then off with the lightning speed flew
If I could I'd have scaled and tumped
If I could I'd have could I'r could you? "Twas long years ago, and since then He has spoken words leving and true; I only leaned close to his breast. For how could lastly it consist on?

Geiting and Holding Money.

Corry O'Lanus, the Brookivn Eagle sage, discourses with his usual breidity, as follows: Every man his own landlord is a cap-

ital doctrine. I should have adopted it myself long ago, but for want of capital. This is the difficulty with most ten-

All the real estate I own is located in a dozen flower-pots, which Mrs. O'-Lanus devotes to the cultivation of geraniums, verbenas, caetuses and other ornamental vegetables.

There is not enough for a building lot, and it can be only regarded as a remable astate The earth is man's inheritance, but I

have not come in for any share of it Some capitalist has not the title deeds to my estate, and won't give them up till I can raise money enough to redeem
